

Sanpete County Fly-in, September 2009 Visual art & scale aircraft model contest

Rules: The entrant must produce the artwork or model, receiving only encouragement and guidance from others. It is to be "new work" for this contest. Visual art may take the form of drawings, paintings, sculpture, fabrics, photography etc and will be judged on it's imaginative portrayal of the theme "Pioneers of flight" as well as quality execution. Entrant-built, scale aircraft plastic models will be judged on quality execution & historical faithfulness. The artwork or model must be submitted, with this completed form, to Mt Pleasant City offices (115 West Main) no later than 4:00 PM, 10 September 2009. Judging will take place between that time and 7:30 PM on Sept 11 whereupon all entries will be displayed and prizes awarded, at the Mt Pleasant North Stake Center 461 North 300 West, Mt Pleasant, Utah. Entrant need not be present to win. Entries will also be displayed at the Mt Pleasant Airport during the activities there on Sept 12th. It is the responsibility of the entrant to package their work so as to give it reasonable protection against damage during transport, storage & judging. All entrees will be returned to their owners at the end of the day on the 12th. Cash prizes will be awarded based on decisions of a panel of judges with artistic & aviation experience. Cash prizes are as follows:
